If you would like to donate a new toy or a monetary gift please consider doing so in the next 2 months. If you cannot drop either donation by the lodge please let me know and I will make arrangements to have it picked up. For all you out of town members feel free to mail your gift to the lodge, any amount would be appreciated. Thanking you in advance for your kindness.

**4. LAUGHTER IS ALWAYS THE BEST MEDICINE: Here are a few chuckles for the ladies;** (I hope the brethren don't hang me for this!!) 1. He said: What have you been doing with all the grocery money I gave you? She said: Turn sideways and look in the mirror. 2. He said: Shall we try swapping positions tonight? She said: That's a good idea, you stand by the ironing board while I sit on the sofa. 3. How many honest, intelligent, caring men in the world does it take to do the dishes? Both of them. 4. How does a man show that he is planning for the future? He buys two cases of beer. 5. What is the difference between men and government bonds? The bonds mature. 6. Why are blond jokes so short? So men can remember them. 7. How many men does it take to change a roll of toilet paper? We don't know; it has never happened. 8. What do you call a woman who knows where her husband is every night? A Widow. 9. Why are married women heavier than single women? Single women come home, see what's in the fridge and go to bed. Married women come home, see what's in the bed and go to the fridge. 10. Man says to God: "God, why did you make woman so beautiful?" God says: "So you would love her." But God, the man says, "Why did you make her so dumb?" God says: "So she would love you." **Forgive me brethren I don't know what got into me!!**

*Masonry is designed to affect our life and conduct, to help regulate our actions in the performance of all that is right. It should enable us to establish standards of moral excellence. As masons, our best asset is the exemplary life of the practicing individual mason with his knowledge of our craft and the willingness to diffuse that light to all who are interested in the promotion of our great fraternity. To this end, is the challenge that we have before us.*

**5. "ONE OF THE FAITHFUL FEW":** Brethren: Please remember Worshipful Brother Jim Huggins in your prayers. Jim is a Past Master of Webb Lodge and has been our Director of Work for many years. Jim is going through several medical issues and we want to wish him the best of all outcomes. Please give Jim a call and see if you can do anything to help him or call and see if he is feeling well enough for a visit. Jim is definitely "One of the Faithful Few."

**Thought of the Day: "A strong man stands up for himself, a stronger man stands up for others."**

**6. LAUGHTER IS ALWAYS THE BEST MEDICINE:** 1. You know you are from Georgia if: a. You can properly pronounce Chickamauga, DeKalb, Dahlonga, and Smyrna. b. You know that the true value of a parking space is not determined by the distance to the door, but by the availability of shade. c. You have seen people wear bib overalls at weddings and funerals. d. You know cow pies are not made of beef. e. Someone

you know has used a football schedule to plan their wedding date. f. A Mercedes Benz isn't a status symbol. A Ford F350 Crew Cab is. 2. Definition of BUDGET: A method for slowly going broke. 3. A Georgian took his car to his auto mechanic and explained that the car made a clunking noise when it turned corners. The mechanic took the car out for a test drive and made two right turns, each time hearing a loud clunk. Back at the shop he returned the car to the Service Manager with a note; Removed Bowling ball from trunk.

To achieve the marvelous, it is precisely the unthinkable that must be thought. (Tom Robbins) 5. Each of us is given a pocketful of time to spend however we may. We use what we will. We waste what we will. But we can never get back a day. (Roger Wilcox) 6. Procrastination is like a credit card; it's a lot of fun until you get the bill. (Christopher Parker) 7. We are never prepared for what we expect. (James Michener).

**REMEMBER & NEVER FORGET - 14<sup>th</sup> Anniversary**

- 8. UNIVERSALITY:** One of the most eloquent passages on Universality of Freemasonry is found in Albert Mackey's Encyclopedia of 1874: Masonry is not a fountain, giving health and beauty to some single hamlet, and quenching the thirst of those only who dwell upon its humble banks; but it is a mighty stream, penetrating through every hill and mountain, and gliding through every field and valley of the earth, bearing in its beneficent bosom the abundant waters of love and charity for the poor, the widow, and the orphan of every land.

- 9. TO OUR OUT OF TOWN BRETHREN:** I would like to ask all those brethren who live out of the Augusta area to please either drop me an email, give me a call or write a small note (contact information is located at the top of this newsletter) and let me know how you and your family are doing and if you need any type of assistance. It would also help me update my records if you would send your latest mailing address, email address and telephone numbers. Please take the time, we would love to hear from you.
