2. **TENTH MASONIC DISTRICT CONVENTION:** **When:** June 10, 2017. **Where:** Hamilton Lodge #58 Sandersville, GA. **Time:** 10:00 a.m.

3. **A POINT TO PONDER:** If we come to view ourselves as working for an external reward, we will no longer find the activity worth doing. There is an old joke that illustrates this. An elderly man, harassed by the taunts of the neighborhood children, devised a scheme. He offered to pay them a dollar each if they would return on Tuesday and yell their insults again. The children did so eagerly and received the money. Then he told them he would pay only 25 cents on Wednesday. When they returned, insulted him again and collected their quarters, he informed them that Thursday's rate would be just a penny. "Forget it," they said - and never taunted him again.

4. **GEORGIA/SOUTH CAROLINA EXCHANGE NIGHT:** All of the Grand Lodge Officers from the State of Georgia and South Carolina plus approximately 400 Masons will convene at the Augusta Scottish Rite Center for dinner and fellowship on Friday, June 9, 2017, at 6:00 P.M. All Master Masons are invited to attend to exchange ideas and programs that evening. Try to attend if you can. It has been said that South Carolina has "ALWAYS" out-numbered the Georgia attendees. Brethren: let's put an end to that this year. Make an effort, take the time and be "One of the Faithful Few."

Grand Master of South Carolina  
William B. Rogers

Grand Master of Georgia  
Gary H. Leazer

7. **THE COST OF FREEDOM: (By Howard Coop, 32°)** Brethren: As you know Memorial Day is just around the corner. It is sad that many of our younger generation only think of Memorial Day as another holiday which allows us a day off from either work or school. I just recently read an article which I would like to reprint (not in its entirety) by Brother Coop in the Scottish Rite Journal. He states that most Americans observe Memorial Day in one way or another. While some individuals see only an extra three day weekend, many citizens are more perceptive. They recognize that the purpose of the observance is noble and has remained unchanged through the years. Since it began in 1868, Memorial Day has been set aside to honor the memory of those patriots who served their country in time of need, some of whom gave the full measure of devotion. From Bunker Hill in 1775 to Baghdad in 2004 and on numerous occasions between those significant places and dates, men and women have answered when the call came to serve their country. As true patriots always do, they made personal sacrifices involving themselves and their families. Their courageous efforts protected our land and preserved the freedom we cherish. Lest we forget, those flags waving in the spring breeze in the cemeteries on Memorial Day are silent reminders of the cost of the freedom which we too often take for granted. The flags mark the resting places of a host of courageous men and women who served their country faithfully. **To them, we owe a debt that can never be repaid.**

*WE ALL GET HEAVIER AS WE GET OLDER BECAUSE THERE IS A LOT MORE INFORMATION IN OUR HEADS! (That's my story and I am sticking to it).*

8. **DUES:** Brethren: A few members of Webb Lodge are delinquent in paying their dues for the last 2 years and several of the brethren still owe for this year (Payable; December 2016). Those brethren who owe for the last 2 years will be suspended according to our by-laws in the month of June unless either payment is made or they contact the lodge and explain their financial situation. Please check your dues card and make sure it is current. So mote it be.

To write with a broken pencil is pointless. 6. When fish are in schools they sometimes take debate. 7. The short fortune teller who escaped from prison was a small medium at large. 8. We'll never run out of math teachers because they always multiply. 9. When the smog lifts in Los Angeles, U.C.L.A. 10. The dead batteries were given out free of charge. 11. A dentist and a manicurist fought tooth and nail. 12. In a democracy it's your vote that counts; in feudalism, it's your Count that votes. 13. A chicken crossing the road; poultry in motion. 14.
