If you, another brother or widow need transportation to and from the lodge please call one of the officers. Ladies are invited (Telephone numbers are located on the reverse side of this newsletter). Widows have an open invitation to come join us for dinner each month and please bring a guest.

LET'S START THE NEW YEAR OUT RIGHT: Brethren: Let's start the new year out right by getting in the habit of attending lodge. Lodge attendance is a matter of habit. Get into the habit this month and every month attend it will be an automatic occurrence for you. Webb Lodge really needs your help. We are down to less than 100 in membership yet the offices and committee obligations are the same as they were when I became secretary in 1987 and the membership

was at 337. Remember your obligation which you took at the Holy Altar; it was the same for all of us. Where are the Past Masters who led this lodge in the past? Where are the brothers who send in a dues check each year? Take the Time and make the effort and become "ONE OF THE FAITHFUL FEW." So Mote It Be.

***"No involvement means no commitment - no exception."
Get involved in your lodge.***

Our family was considering getting a new pet, so we were discussing dogs one day with my cousin. "I think bulldogs are cute," my brother said. They are okay, said my cousin, but they look like they have been chasing "Parked Cars." (For all my Georgia Bulldog fans out there: GO DAWGS! Congratulations on making it to the National Championship this year)

Ambition is a poor excuse for not having enough sense to be lazy.

DUES AND ATTENDANCE

An eighty-year-old couple is having problems remembering things, so they go to the doctor to get checked out. They describe for the doctor the problems they are each having with their memory. After checking the couple out, the doctor tells them that they are physically okay, but that they might want to start writing things down to help them remember. The couple thanks the doctor and leaves. Later that night while watching TV, the old man gets up from his chair. His wife asks, "Where are you going?" He replies, "To the kitchen." She asks him for a bowl of ice cream and he replies, "sure." She then asks him, "Don't you think you should write it down so you can remember?" He says "No I can remember that." Well, she then says, "I also would like some strawberries on top." You had better write that down cause I know you'll forget. He says "I can remember that, you want a bowl of ice cream with strawberries." Well she replies "I also would like whipped cream on top." I know you will forget that so write it down. With irritation in his voice, he says, "I don't need to write that down, I can remember that." He fumes off into the kitchen. When he returns twenty minutes later he hands her a plate of bacon and eggs. She stares at the plate for a moment and says, "You forgot my toast."!!
