**Vigor is contagious, and whatever makes us either think or feel strongly adds to our power and enlarges our field of action. (Emerson)**

**The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy. (King)**

**Seen while passing by a church: "Get in touch with God by knee-mail."**

**The two words "information" and "communication" are often used interchangeably, but they signify quite different things. Information is giving out; communication is getting through. (Sydney Harris)**

**YANKEE SURVIVAL TIPS (FROM ONE X-YANKEE TO ANOTHER):** 1. If you run your car into a ditch, don't panic.

Four men in the cab of a four wheel drive with a 12 pack of beer and a tow chain will be along shortly. Don't try to help them. Just stay out of their way. This is what they live for. 2. Don't be surprised to find movie rentals and live bait in the same store. 3. Do not buy food at the movie store. 4. Remember: "Y'all" is singular. "All y'all" is plural. "All y'all's" is plural possessive. 5. There is nothing sillier than a Northerner imitating a southern accent, unless it is a Southerner imitating a Boston accent. 6. Get used to hearing, "You ain't from around here, are you?" 7. People walk slower here. 8. Don't be worried that you don't understand anyone. They don't understand you either. 9. Be advised; The "he needed killin" defense is valid here. 10. Tornadoes and Southerners going through a divorce have a lot in common. In either case, you know someone is going to lose a trailer. 11. Florida is not considered a southern state. There are more Yankees than Southerners living there. 12. As you are cursing the person driving 15 mph in a 55 mph zone, directly in the middle of the road, remember, many folks learned to drive on a model of vehicle known as a JOHN DEERE, and this is the proper speed and lane position for the vehicle.

**MEMORIAL DAY: TAKE TIME TO REMEMBER:** Americans pay tribute to those men and women who faithfully served their country in peace and in war on Monday, May 28<sup>th</sup>, 2018, Memorial Day. Many members of Webb Lodge fall into this elite category. I want to personally say “Thank you” for all the sacrifices they have made and continue to make to ensure that the freedom we enjoy continues. We all take Freedom for granted just as we do when we turn on the faucet and expect water to be there. Americans have no idea what it is like to be without freedom. We have all lost

friends and relatives who have defended this country for “Our Freedom,” and I think it is appropriate to “Remember” these special people on this fourth Monday of May and say thank you to those that are still here and remember the memories of those who are not.

A sharp tongue and a dull mind are usually found in the same head.

**THE BENEFITS OF BEING A MASON:** (Reprinted from the Virginia Masonic Herald Magazine) The **Opportunity to Fellowship** with those of like mind. Our obligations freely taken are the same no matter how many years we have been a Mason. The opportunity to form **Lifelong Friendships**. Friendships that enable each of us as Master Masons to say to our loved one, “If something happens to me, call my friend and Brother, he will always be there for you.” The opportunity to come under a massive **Umbrella of Love and Understanding**. Every member of the Fraternity is there for you, you need only ask. The opportunity for **Leadership**. The opportunity to form a bond with Brethren who have a genuine **Concern for each other’s well-being as well as society as a whole**. The opportunity to belong to a fraternity that believes in **Charity toward all men**. The opportunity to come under the **Protection of a Family**, a society of friends and brothers. The opportunity to belong to a Fraternity that believes in the “**Brotherhood of Man, Under the Fatherhood of God.**”

*Suffering is everywhere. Don't ever think it isn't. So are miracles. Don't ever think they aren't.*

**THOUGHT OF THE MONTH:** Do not argue with an idiot. He will bring you down to his level and then beat you to death with experience.
