**IMPORTANT NEWS CONCERNING THE MASONIC TEMPLE**

As you know, the Lodges of the Masonic Temple are having various difficulties and there is talk about combining or in other ways addressing the problems of finances, membership, and attendance. Social Lodge #1 has voted to not move forward with respect to investigating consolidation further. John S. Davidson #677 has voted to consolidate. In accordance with the 2022 Georgia Masonic Code, a letter was sent out to explain this issue and proposed Consolidation Resolution. We will need your voice at our August 15<sup>th</sup> Communication to discuss this issue and vote on the Resolution. Dinner at 6:30 pm to be immediately followed by opening Lodge.

**WEBB LODGE HISTORY**

As we left off last month, the Third Masonic Temple began on January 6<sup>th</sup>, 1888, with the cornerstone being laid on the same site as the previous two, on the South side of Broad Street. This building was imposing structure of its day and had in it what was then the Opera House. On January 6<sup>th</sup>, 1888, the Cornerstone of the third Masonic Temple was laid. The building was dedicated on December 27<sup>th</sup>, 1888 and was destroyed by fire on December 10<sup>th</sup> 1899. On July 15<sup>th</sup>, 1888, Webbs Lodge started the movement and appointed a committee to raise the necessary funds to place a suitable monument on the Masonic Section in the City Cemetery. This work was completed, and the monument unveiled March 20<sup>th</sup>, 1892. More to come next month.
