HISTORIC VOTE!!!

As we have discussed over the past few years, the Lodges of the Masonic Temple have had various difficulties and there has been talk about combining or in other ways addressing the problems of finances, membership, and attendance. Over the past few months this issue has come to a head and the Lodges of the Masonic Temple have voted on consolidation. In accordance with the 2022 Georgia Masonic Code, a letter was sent out to explain this issue and to propose a Consolidation Resolution. John S. Davidson #677 voted to consolidate and at our August Communication, we held a **Historic Vote** and voted unanimously to have the Brethren of John S. Davidson join Webb Lodge. We are now working on the final Consolidation Resolution for submission to the Grand Master. Come join us at our September Communication and join the discussion. Dinner at 6:30 pm to be immediately followed by opening Lodge.

WEBB LODGE HISTORY

On August 24th, 1892, Webbs Lodge, through its Worshipful Master, entered a very important contract with Mrs. Mary A. Walker, who before her death became Mrs. Mary A. Mason. In the contract she agreed to include in her last will and testament a bequest to Webbs Lodge #166 of five thousand dollars, \$5,000, on condition that they keep in good condition in perpetuity her two sections in what was then known as the City Cemetery, but now is known as Magnolia Cemetery. The bequest was made and at her death was paid to the Lodge and is the fund for which three Trustees are annually elected by the Lodge to handle the fund and see that the conditions of the contract are faithfully performed. More to come next month.
