### **WEBB LODGE HISTORY**

As most of our members already know, John S Davidson Lodge #677 was absorbed into Webb Lodge #166. This seems to contain a bit of poetic justice as John S Davidson was a member of Webb Lodge until his passing. Since then, our attendance at Webb Lodge dinners and communications has increased.

I know that it will continue to get better.

**Please don't forget that WB Jack Goldenberg will continue holding classes on Sunday afternoons. We all need refresher classes in order to sharpen our skills. Contact either WB Goldenberg or WB Flanagan if you plan to attend.**
