### WEBB LODGE HISTORY

The number of people attending our dinners and our communications has been slowly increasing. That's good news and we are glad to see this increased participation.

**Please don't forget that WB Jack Goldenberg will continue holding classes on Sunday afternoons. We will confer the Entered Apprentice Degree in our Lodge and are attempting to assemble a degree team for conferring all 3 Degrees. We need a few Brothers to step up for the various parts within the Degree and perhaps present some of the lectures. Please consider taking part.**

School is out and the children are in the streets. The Worshipful Master and Brethren of Webb Lodge #166 want to remind everyone to use caution while driving because most of the children won't be paying attention.

### Happy Father's Day

**One of the most unsung heroes of this world is the father who teaches his son how to be a man and take responsibility. Thank your father for this gift and remember to try to pass it along to the next generation.**

Officers and Brethren: If you have an article or information that you think would benefit the membership please email me a copy and if useful, we will print it with credits in this monthly newsletter. Please submit early, otherwise it will be included in the following month's newsletter. Thank you in advance for your help.
