The number of people attending our dinners and our communications has been slowly increasing. That's good news and we are glad to see this increased participation. We had another large group for our September meeting and we hope for this trend to continue.

Please don't forget that WB Jack Goldenberg will continue holding classes on Sunday afternoons. We hope to confer the Fellowcraft Degree shortly. The need for a few Brothers to step up for the various parts within the Degree is apparent and we would like to create a degree team. Our Worshipful Master and our Director of Work plan to confer the Fellowcraft Degree shortly, please consider taking part.
