The number of people attending our dinners and our communications has been slowly increasing. That's good news and we are glad to see this increased participation. We had another large group for our October meeting and we hope for this trend to continue.

Please don't forget the Officers of Webb Lodge hope to confer the Masters' Degree shortly. The need for a few Brothers to step up for the various parts within the Degree is apparent and we would like to create a degree team. Our Worshipful Master and our Director of Work hope that Webb Lodge can now, and in the future be able to confer all of the Degrees' in house. The entire Lodge appreciates the helping hand from the surrounding Lodges when we had a candidate. Perhaps it's time that we are able to return the favor. Please consider taking part.

Veterans Day

I read a bumper sticker on the back of a car one day. It said: "If you can read this sticker thank a teacher, if you can read it in English thank a Veteran." Most people don't appreciate what the veterans have done and ARE doing. A good portion of Americans have never been to another country and have no idea as to how good we have it here. WE have it relatively easy here because of the sacrifices that our veterans have made and continue to make. Unfortunately, most people don't know nor appreciate what our serving military and vets go through.

Many haven't come back. Many who do come back are changed. Sometimes for the worst. Most try and seem to adapt. We should all be thankful for the sacrifices they make.

UPCOMING EVENTS
